PCOL FRANCISCO D DUNGO, JR
Chairman, LSS BAC

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping, including the need to maintain original documents and to keep copies of all records for a minimum of seven years. It also discusses the importance of ensuring that records are accessible and readable.

3. The third part of the document discusses the consequences of failing to comply with the record-keeping requirements. It notes that failure to maintain accurate records can result in severe penalties, including fines and imprisonment.

4. The fourth part of the document discusses the importance of training and education in ensuring compliance with the record-keeping requirements. It notes that all personnel involved in the financial system should receive appropriate training and education to ensure that they understand the requirements and are able to comply with them.

5. The fifth part of the document discusses the importance of regular audits and reviews in ensuring compliance with the record-keeping requirements. It notes that regular audits and reviews are essential for identifying and correcting any deficiencies in the record-keeping process.
